Didn't i make you feel like you were the only man, yeah,
an' didn't i give you nearly everything that a woman
possibly can ?

honey, you know i did!

and each time i tell myself that i, well i've just had
enough,

but i'm gonna show you, baby, that a woman can be
tough.

I said come on, come on, come on, come on and take
it,

take another little piece of my heart now, baby,
break another little bit of my heart now, darling, yeah.
hey! have another little piece of my heart now, baby,
yeah.

you know you got it if it makes you feel good,
oh yes indeed.

all right!

You're out on the street looking good, honey,
deep down in your heart i said you know that it ain't
right,

never never never never never never hear me when i
cry at night.

honey, i cry all the time!

and each time i tell myself that i, well i can't stand the
pain,

but when you hold me in your arms, i'll sing it once
again.

I'll say come on, come on, come on, come on and take
it!

take another little piece of my heart now, baby.
break another little bit of my heart now, darling, yeah,
have another little piece of my heart now, baby, yeah.

you know you got it, child, if it makes you feel good
hey!

Now all right!

Now come on, come on, come on, come on and take it,
take another little piece of my heart now, baby.

break another little bit of my heart, honey, yeah.

hey! have another little piece of my heart now, baby,
you know you got it if it makes you feel good.

hey! hey! have another little piece of my heart now,

baby,
break it, break it, break it, yeah.
have another little piece of my heart now, baby,
you know you got it, child, if it makes you feel good.
