They call me crazy,
But I'm just waiting
For the world around me to change.

I'm thinking maybe if we look inside
We'll find a loving piece of mind.

Can't see their halos
Can't feel their wings, no
But I got faith that the angels will see.

Walking on Heaven, walking on Heaven
Streets were honor, paved in gold.
Walking on Heaven, walking on Heaven
Free your mind and let it go.

Some call it lazy,
But all that I'm saying
Is please, don't waste your time.
We can keep hating,
But why not try saving
The love that is blind.

Can't see their halos
Can't feel their wings, no
But I got faith that the angels will see.

Walking on Heaven, walking on Heaven
Streets were honor, paved in gold.
Walking on Heaven, walking on Heaven
Free your mind and let it go.

Let's call it Heaven,
Isn't it precious.

Some say we're dreaming,
But we're just believing.

Ohhh, Walking on Heaven, walking on Heaven,
Streets were honor, paved in gold.
Walking on Heaven, walking on Heaven,

Free your mind and let it go.

Ohhh yeah, ohhh, Oooo, let's call it Heaven.
