Alone in a room  
Needless I sit  
I close my eyes  
and try to forget  
Death is calling  
Get in line

Death is forming  
Forming death  
Death is calling  
Death is forming  
Forming death  
Death is calling  
Get In line

Alone In a room  
Needless I sit  
I close my eyes  
and try to forget  
Death is calling  
get in line

Death is forming  
Forming death  
Death is forming  
Death is forming  
Forming death  
Death is calling  
Get in line
