If this is the way it's going to be
Then I am so sure
That life is lost
It's only thrill and it's tomorrow

I can't see your face
cause I'm a looking at
I can't see your face
cause I'm a looking at you

The way you walk
The way you step on through
The way you do
All the things you do
The way you walk
The way you step on through
I can't tell truth

My shadow
My shadow
My shadow
My shadow is stuck

It's like the darkness
All you ever seem to be

And nightmares only
make you a memory

I can't see your face
cause I'm a looking at
I can't see your face
cause I'm a looking at you

The way you walk
The way you step on through
The way you do
All the things you do
The way you walk
The way you step on through
I can't tell truth

My shadow
My shadow
My shadow
My shadow is stuck

I don't feel too well
I don't feel too well
And I don't really care
Cause I don't feel too well
Cause I'm a looking at you!
