Blue chimneys in the bright sun

Won't you smile for me?

Blue chimneys will make us all run

There will be no need

To waste away on a cottage dock

Or travel to where it will be nice and hot

Blue chimneys in the bright sun

Won't you smile for me?

Big windows and some pillow talk

Beside an open flame

Big windows and some pillow talk

Beside a big floor drain

We can throw out the bad

Keep all the good

The neighbors won't look in

But they really should

Big windows and some pillow talk

Beside a big floor drain

Blue chimneys in the bright sun

Won't you smile for me?

Blue chimneys will make us all run

Running up those trees

To look down the holes and see all the sites

Jesse fell in but he's still alive

Blue chimneys in the bright sun

Won't you smile for me?
