If I have to lose my sense of pride
And turn my back on all I've lost
And if I ever feel I'm fallin' behind
Show me just how far I've gone
'Cause in a cautious state of mind
I can only walk alone
I've been searching just to find my way home
My way home

Tell me I'm fallin'
Tell me I'm done
Tell me I'm wrapped
Inside your love
Tell me I'm bleedin'
Tell me I'm lost
Tell me I'm wrong

And if I ever lose my place in time
I can't say I never will
For I may never fall into line, oh
But, darling, can you love me still

'Cause in this cautious state of mind
I have only walked alone
I've been searching just to find my way home
My way home

Tell me I'm fallin'
Tell me I'm done
Tell me I'm wrapped
Inside your love
Tell me I'm bleedin'
Tell me I'm lost
Tell me I'm wrong

Oh, oh,
Oh, oh, oh
Oh, oh, oh, oh
Oh, oh,
Oh, oh, oh
Oh, oh, oh

Tell me I'm fallin'
Tell me I'm done
Tell me I'm wrapped
Inside your love
Tell me I'm bleedin'
Tell me I'm lost
Tell me I'm wrong

Tell me I'm fallin'
Tell me I'm done
Tell me I'm wrapped
Inside your love
Tell me I'm bleedin'
Tell me I'm lost
Tell m I'm wrong

Tell me I'm fallin'
Tell me I'm done
Tell me I'm wrapped
Inside your love
Tell me I'm bleedin'
Tell me I'm lost
Tell me I'm wrong

Tell me I'm bleedin'
Tell me I'm lost
Tell me I'm wrong
