[Yeezy]

Turn my headphones up

Louder...

uh huh...Uhhh

CHORUS:

What you need,

what, what you need,

I got,

What you need,

what, what you need,

(Bam)

What you need,

what, what you need,

[Yeezy]

Lolololo White America,

Assassinate my character,

Money matrimony,

Yeah they tryin' to break the marriage up,

Who gon' act phonier,

Who gon' try to embarrass ya',

I'm a need a day off,

I think I'll call Ferris up,

[Jay]

Bueller had a Mueller,

But I switched it for a Milli,

Cuz I'm richer,

And prior to this shit

was movin' free base,

[Yeezy]

Had a conference with the DJ's,

Puerto Rico three days,

[Jay]

Polly with the Peedie's,

Now they got our shit on replay,

[Yeezy]

Sorry I'm in pajamas,

But I just got off the PJ,  
And last party we had,  
They shut down Prive,

[Jay]  
Ain't that where the Heat play,  
Niggas hate on ballas these days,  
Aint that like LeBron James?  
Aint that just like D Wade?  
Wait...

CHORUS:  
What you need, What, What you need  
I got, What you need,  
What, What you need  
(Bam)  
What you need, What, What you need  
I got what you need,  
(Bam, Bam, Bam, Bam)

[Jay]  
Whassup, whassup, whassup  
Whassup mothafucka where my money at,  
You gon' make me come down to your house  
where your mommy at,  
Mummy wrap the kids,  
Have them crying for they mummy back,  
Dummy, that your daddy is-  
Tell him I just want my racks,

[Yeezy]  
Racks on racks on racks,  
Maybachs on backs on backs  
on backs on backs,

[Jay]  
Who in that?

[Yeezy]  
Oh shit, it's just blacks on blacks on blacks,  
Hunnit stacked,

[Jay]  
How you get it?

[Yeezy]  
Nigga, layin' raps on tracks,

[Jay]  
I wish I could give you this feeling,  
I'm plankin' on a Million,

I'm ridin' through yo hood,  
You can bank I ain't got no ceiling,

[Yeezy]  
Made a left on Nostrand Ave,  
We in Bed-Stuy,

[Jay]  
Made a right on 79th,  
I'm coming down Southshore Drive,

[Yeezy]  
I remain Chi-town,

[Jay]  
Brooklyn 'till I die.

CHORUS:  
Take 'em on home (x4)  
I got, what you need,  
what, what you need,  
Take 'em on home,  
what you need,  
what, what you need,  
I got, what you need,  
what, what you need,  
Take 'em on home (x4)

Tryin' to hurt my name...
