No competition with these niggers is just that
Raised in the green light of a gold ghetou
Wrote letters to the money till they came back
And I saw working out no jumping checks
A lot of shit on my mind that; s why I need to flush
I love life but... you gotta crush
I never sleep stay awake
Dream with my eyes open I can see the change
... speed ahead you can never stop me
Cause the low is my own key
Get your own copy
I've got a boss but his rappers don't wanna shot
Cause of what they can't see
I'm a blind spot
Hate this misplaced love quote wayne for that
I say it's hiv...
That's that you know what it is
No need to name names you can suck my...

If you don't like me don't love me when I'm gone
If you don't like me don't love me when I'm gone
Curse you when you're living
Bless you when you're dying
See the boyish these people will be on
If you don't like me don't love me when I'm gone
If you don't like me don't love me when I'm gone
Curse you when you're living
Bless you when you're dying
See the boyish these people will be on
