[Intro: Swizz and Kanye]

Welcome to the jungle, welcome to the jungle well  
(I asked her where she wanna be when she 25  
She turned around and looked at me and said "alive")  
Welcome to the jungle, welcome to the jungle well

[Jay-Z]

Black Axl Rose, move halves and wholes  
Come down to the jungle, just ask for Hov  
Move blocks and squares, move apples and pears  
Work pots and pans, just to cop me some Airs  
My uncle died, my daddy did too  
Paralyzed by the pain, I can barely move  
My nephew gone, my heart is torn  
Sometimes I look to the sky, ask why I was born  
My faith in God, every day is hard  
Every night is worse, that's why I pray so hard

[Kanye West]

Why I pray so hard, this is crazy God  
Just when I thought I had everything, I lost it all  
So que sera, get a case of Syrah  
Let it chase the pain, before it goes too far

[Jay-Z]

My dreams is big, reality set in  
Let off a clip from a automatic weapon  
Through shots in the door, it died in Vegas  
Though it fought so hard, I knew it wouldn't make it  
I'm a tortured soul, I live in disguise  
Rest in peace to the leader of the Jackson 5  
I died in my sleep, I'm still Big Pimpin'  
I ball at the mall, beginning of the ending  
Where the fuck is the sun? It's been a while  
Momma, look at ya son, what happened to my smile?  
My tears is tatted, my rag in my pocket  
I'm just looking for love, I know somebody got it  
Champagne for the pain, weed for the low  
Goddamn I'm so high, where the fuck did I go?  
I'm losing myself, I'm stuck in the moment  
I look in the mirror, my only opponent  
Where the fuck is the press? Where the fuck is the

Pres?

Either they don't know or don't care, I'm fucking  
depressed

No crying in public, just lying to judges

Risking my life, I'm already dying, so fuck it well

[Outro: Swizz]

Welcome to the jungle, welcome to the jungle well,  
goddammit
