Well, well, well, well, well  
Well, well, well, well, well, well  
Wonders never cease

She loves me and to my amazement I love it  
Knowing that she loves me  
She loves me, true, she doesn't show it  
How could she, when she doesn't know it?

Yesterday she loathe me  
Now today she likes me  
And tomorrow and tomorrow

My teeth ache from the urge to touch her  
I'm speechless for I mustn't tell her  
It's wrong now but it won't be long now

Hope my love discovers  
That she and I are lovers  
Imagine how surprised she's bound to be  
She loves me

She loves me and loves [Incomprehensible]  
She don't show it, how could she?  
She don't know it

Tomorrow  
I'm tingling such delicious tingles  
I'm trembling  
What the heck does that mean?

I'm freezing, that's because it's cold out  
But still I'm incandescent  
And like some adolescent  
I'd like to scrawl on every word I see

She loves me, she loves me  
She loves, loves, loves me  
Why don't you show it?
