The party's over
It's time to call it a day
No matter how you pretend
You knew it would end this way

It's time to wind up
A masquerade
Just make your mind up
The piper must be paid

The party's over
The candles flicker and dim
You danced and dreamed through the night
It seemed to be right just being with him

Now you must wake up
All dreams must end
Take off your make up
The party's over, it's all over, my friend

Now you must wake up
All dreams must end
Take off your make up
The party's over, it's all over, my friend
