And you...your the one i want
Your the one i came for
But your just wanna torture me some more
And you...your the one i want
The reason why i came here
So please don't torture me anymore

Cuz it keeps me up for day and it keeps me up for
days...

Never wanna let you go
Never wanna see you leave
I wanna let you know
I love you

And you..your the one i want
Your the one i care for
But your just gonna torture me some more
And you. Your the one i want
The reason why i came here
So please don't torture me anymore

Cuz it keeps me up for day and i keeps me up for
days...

Never wanna let you go

Never wanna see you leave
I wanna let you know
I love you
We'll fly away..ohhh
Won't let you go...
Let you know...
I love you

Try and tell myself it'll be okay
I don't want a single thing to chance
Thinking to myself while i lie awake
Today ins the day she'll fly away
And it keeps me up...for days
And it keeps me up...for days...hey

Chorus
Never wanna let you go
Never wanna see you leave
I wanna let you know
I love you
We'll fly away...ohhh
Won't let you go...
Let you know...
I love you
