I wanna be a object, of your affection
Give me all your time, touch, money and attention
Pick me up after school you can be my baby
Maybe we could go somewhere get a little crazy
He's rich and I'm wishin' um could be my mister young
Delicious to the maximum, chew him up like bubble
gum
Mama's pretty party favor, he says I'm his favorite
flavor

Catch me riding like a bitch got the 6:45
Catch me riding with my bitch, uh, long hair
Lana that's my bitch, uh
You can tell by the swagger and the lips, uh

You say that I am flawless, true perfection
So give me all your drugs...
