.. I've been wasting time away  
and I'm feeling surround you know it's okay with me  
no I wish I was an angel but I lost my ..wings

I slip away so long I know how  
sipping in the way so long I long ..in the dream  
and I wish I..want too much with me  
no I wish I wasn't me but I lost my  
I slip away so long I know how

I must ..the eyes  
just set it free wont' you let it go  
he's gotta ..for regrets till not..  
if you let it free, you can let it go  
how

game over total..  
congratulations made it to the payment  
through all the ..dancing the ..pay me  
not a beautiful girl thought infiltrate me  
you feel alone I got it on my own  
I'm poppin' in my zone till I'm ..  
not right now till it got me turned off  
..changin no time for waiting  
so my time right now this my ..  
despite that I'm willing to fight back  
this up and I'm dedicated I'm thinking in my stack  
none feel better than the new morning  
swear last night everybody was ..  
this flow I own in the city aint right for  
and my.. shine

Gotta ..then the eyes  
just set it free  
won't you let it go  
you gotta ..questions not in smile  
if you let it free, you can let it go  
how
