(ft. Rockie Fresh & DZ Deathrays)

Yeah you want him
You want my blood!
Yeah you want him
You want my blood!

I'm the flyest in my city
When you see me say what's up
I'll be riding with my... yeah, I'm all about the...
I've got hundreds on my table, bumping hundreds on
your truck
Let the homies think they're fly, they can get the
feathers...
My first mistake was a smash, they call it beginner's
luck
But luck is moving up, and a lot of my hate is stuck
So I put that .. on ice, without no skates, without no...
Call me Gordon by day when I say you better duck
And I learned this game, go insane, being dope is my
approach
...so I'm the player and the coach.
Over here on a different note, I feel sorry for the
opponents
And I got what you need, you just holler if you want it,
scream

Chorus:
Yeah you want him
You want my blood!
Yeah you want him
You want my blood!

Yeah, stay impatient, destination still the other side
Drive an 88 with some chicks to hope enjoy the ride
Lot of fans, plus we got a lot of pride
Got a lot of watches too, but we ain't got a lot of time
..always on that grind, you're hating this promo
..I'll be in the club...
What you... on my dough high
Not everybody but I's so shy

And if you're looking for the... I am probably your guy!
See, I don't know about you all, but I'm getting mine
..then that bitch is fine
I see the signs, we're about to make a million...
Never been to murder... we're making the killing
strange

Chorus:

Yeah you want him
You want my blood!
Yeah you want him
You want my blood!
You want my blood!
Want, want, you want my blood!
Want, want, you want my blood!
