Drinkin' all night long to sad country songs  
It's driving me insane  
Well, I'm drownin' my fears in cheap American beer  
I'm lookin' for somebody to blame

Head for the mountains, go for the gusto  
You only go 'round once in life  
Well, I'm wastin' my time on long drunken drives  
Makin' up excuses for an angry wife

Now I'm cruisin' down I-75  
Throwin' my empties at the wrong way signs  
I'm so wasted, I can't see shit  
And it don't get no better than this  
It don't get no better than this  
It don't get no better than this  
It don't get no better than this

What in the hell am I doing in this cell?  
Get drunk and start a fight?  
Well, one thing's for certain, the way my head is hurtin'  
Feels like I hit a bus last night

Then it all came back, like one big crash  
Rammin' God's children head-on  
Well, what can I say, it never happens this way  
In all those old Red Sovine songs

I'm cruisin' down I-75  
Throwin' my empties at the wrong way signs  
I'm so wasted, I can't see shit  
And it don't get no better than this  
It don't get no better than this  
It don't get no better than this  
It don't get no better than this, yeah

When I was a kid I'd see beer commercials on TV  
Girls, good times, havin' fun  
Now I'm outside a Pik-Pak, tryin' to grab a 12-pack  
Couldn't wait till I was 21

Now I'm only as bold

As I'm told by a drunken society  
Now there's more blood on my can of Bud  
Than there ever was in me

Now I'm cruisin' down I-75  
Throwin' my empties at the wrong way signs  
I'm so wasted, I can't see shit  
And it don't get no better than this  
It don't get no better than this  
It don't get no better than this  
It don't get no better than this
