If I never had to think about all the things that I've done  
wrong

And now I'm finally waking up to the thought of moving  
on

I can't wait to get away from this deadlock state of  
mind

I'm wasting away by thinking through all my wasted  
time.

Cause I want you to know

I've been stuck on this forever

Last night was just enough

Words they caught up on whatever

Get over it, I'm over it

Whoa, whoa

I'm over it

Whoa, whoa

I'm over it

Whoa, whoa

I'm over it

Whoa, whoa.

Now I haven't had an empty day or one that even drags

I'm done with my own masquerade, a dance I never  
had

Everything that I've built up, resonates with me

Through thick and thin where I fit in is where I wanna be

Cause I want you to know

I've been stuck on this forever

Last night was just enough

Words they caught up on whatever

Get over it, I'm over it

Whoa, whoa

I'm over it

Whoa, whoa

I'm over it

Whoa, whoa

I'm over it

Whoa, whoa.

I'm better, I'm better

I'll just keep moving on

I'm better, I'm better

I'll just keep moving on

I'm better, I'm better  
I'll just keep moving on  
I'm better, I'm better  
I'm better, I'm better  
I've been stuck on this forever  
Last night was just enough  
Words they caught up on whatever  
Get over it, I'm over it  
Whoa, whoa  
I'm over it  
Whoa, whoa  
I'm over it  
Whoa, whoa  
I'm over it  
Whoa, whoa.  
(Repeats and fades.)
