This time around  
No resign, no doubt  
I won't push you  
Listen closely, 'cause this ones for you

The reason I am falling down  
Is because what comes around, it goes around

(chorus)  
Perfection is not a requirement  
Perfection wasn't even in the arguement  
Perfection is not for me  
Perfection is not the way I'll be

I think you know  
I'm careful, not slow  
Maybe you'll see  
The end result for you and me

The reason I am falling down  
The reason I am falling down  
The reason I am falling down

Is because what comes aroud, it goes around

(chorus)

Na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na

The reason I am falling down  
The reason I am falling down  
The reason I am falling down

Is because what comes around, it goes around

(chorus)
