Don't tell me you're leaving
everytime you get mad
Cause I know that you're lying
and you'll be right back.
If you get angry,
just walk away
cause if you were leaving
you would've been long gone
before today.

True love is so hard to find
that's why I thank god
everyday that you're mine.
I know that I'm lucky
to have someone like you
I feel in my heart
we'll never be through.

So don't tell me you're leaving
everytime you get mad
Cause I know that you're lying
and you'll be right back.
If you get angry,
just walk away
cause if you were leaving
you would've been long gone
before today.

I knew from the moment
that i saw your face
the way that I felt
could not be replaced.
We may not be perfect,
sometimes we'll fight
we'll always get through it
and everything will be alright

So don't tell me you're leaving
everytime you get mad
Cause I know that you're lying
and you'll be right back.

If you get angry,
just walk away
cause if you were leaving
you would've been long gone
before today.

Life can be hard
it can throw you for loops
But none of that matters
when I'm with you.

Don't tell me you're leaving
everytime you get mad
Cause I know that you're lying
and you'll be right back.
If you get angry,
just walk away
cause if you were leaving
you would've been long gone
before today
before today
