Call him when you want him

Look at myself in the mirror
Religion lookin back at me
I threw my hands in the air
And the law arrested me
Girl interrupted
I needed to break out and get freedom
One bad decision after the next
Just getting by, letting you figure me

Jesus
Call him when you want him
Call him when you need him
But Jesus yeah Jesus yeah
Jesus
Ohhhh Jesus

Curses unbroken yeah
Still holding me down
Bondage, I was even thinking
I wasn't good enough for Gods Best
But I'm in my closet
Yes I am
I'm in my closet
Time after time
Praying Jesus, singing Jesus, crying Jesus

Jesus
Call him when you want him (Call him)
Call him when you need him (Call him ohh call him
Jesus)
Jesus
There is no other like him in my life
Religion died in my life
Yeah Jesus
Call him when you want him (Call him)
Call him when you need him
You gotta get down on your knees and call on Jesus
I dare you
I dare you to think of one thing and testify, testify to
yourself, heyy

Our father Jesus
Which art in Heaven Jesus
Hallowed be thy name Jesus
Thy kingdom come Jesus
No no no other name Jesus
Ohh Lord Jesus Jesus Jesus Jesus Je Je Je je je je
jejeje-- sus
Ohh my God
This is...
Jesus
Call him when you want him
Call him when you need him
Jesus
