(Intro)

Woah (x2)

(Verse 1)

Listen up I'm gonna' tell you bit about myself
I got a situation, ain't concerning nobody else
Just you and what you can do for me
(Ooh)

I had the life of ordinary, I spat it out
Now my condition's kind of scary, I need you now
Not love, but I need something else

(Hook)

So here's my confession (This time x2)
Don't just want you to love me
I want to be your Obsession (This time x2)
Want my name on the marque

(Chorus)

I want you (To want me)
I want you (To need me)
I want you
To hear my confession

I want to be your Obsession

(Whoa)

(Verse 2)

I'll fixate ya until you never let me go
So I can feed your addiction in the stereo
I could be, just your type of high
(I can give what you like)

Your talkin' bout' the narcissist, that's in Hollywood
I'm lovin' myself, but what I need's for you to feel good
(Let's go)
Let the music just take control

(Hook)

So here's my confession (This time x2)
Don't just want you to love me
I want to be your Obsession (This time x2)
Want my name on the marque (Whoa)

(Chorus)
I want you (To want me)
I want you (To need me)
I want you
To hear my confession

I want to be your Obsession (x2)

Whoa (x3)

Ain't nothing wrong with OCD
Long as it's for me, long as it's for me

Ain't nothing wrong with OCD
Long as it's for me, long as it's for me

(Hook)

Here's my confession (This time x2)
Don't just want you to love me
I want to be your attention (This time x2)
Want my name on the marque (Whoa)

(Chorus)
I want you (To want me)
I want you (To need me)
I want you
To hear my confession

I want to be your Obsession (x3)
