Now I know, that what you're going through  
It seems a little rough right now  
And I know the smile on your face  
Has been turned upside down  
It never feels good, mmmhhh... when you're going  
through  
But you can rest assured, that his word is always true  
It's not over, until God get through  
There's no secret to what God can do

Sooo  
Sooner or Later (My God will turn it around)  
Is going to turn it around (If you would with me say Yes)  
Yes [x3]

Now I know mmhh... that the storms of life  
Are raging, right now  
The word of God says, it's going to get better, yeah  
But you cry out to the Lord, saying where, when, and  
how  
Well I read in my Bible, where it says, where it says  
Weeping may endure for night, yeah  
I know mmhh... that joy is going to come, yes it is  
In the morning light

(Sooner) Sooner or Later  
(My God will) Is going to turn it around  
(Say it with me now yes)  
Yes [x3]  
(Yess! )  
Our time is not Gods' time  
He's got it all in control  
So you'll be fine  
Don't you ever give up  
It's going to fill you with love

He'll never leave you  
Nor foresake you  
He'll be right there till the end  
So just keep your eyes on him

Sooner or Later  
(My God will) Is going to turn it around  
(You know it say yes)  
Yes [x3]  
(Yes! )

(I believe it) I believe it  
(I receive it) I receive it  
(He's going to turn it around) He's going to turn it  
around  
(That's why I will say yes)  
Yes [x3]  
(Yeah yeah! )  
(I know [x3])  
(He's going to to turn it around, my God will, the  
darkness will turn into  
Light, yes it will, he will yeahh! )
