"Cry to Me"

When your baby leaves
Leaves you all alone
And nobody calls you on the phone
Don't you feel like cryin'
Don't you feel like cryin'
Well here I am honey
Come on, come on and Cry To Me
When you're all alone
In your lonely room
And there's nothing but the smell of her perfume
Don't you feel like cryin'
Don't you feel like cryin'
Well here I am honey
Come on, come on and Cry To Me
Well nothing could be sadder
Than a glass of wine alone
And loneliness, loneliness is just a waste of time
