Usin' the phone booth  
Makin' a few calls  
Doodlin' weird things  
Usin' the booth walls, yeah

Got me a big date  
Waitin' for my chap  
A-puttin' his fine on  
So he can look dap

I enjoy procrastinatin'  
'Cause I'm busy while I'm waitin'  
Doodlin' away, yeah

Sittin' and dinin'  
Dinner beginin'  
Started refinin'  
Usin' the linen

Talkin' to my man  
Doodlin' my bit  
Waiter got salty  
Told me to please quit

Told the waiter, don't be dizzy  
Can't you see I'm very busy  
Doodlin' away, oh yeah

Those weird designs  
They always show what's goin' on in weirdy minds  
'Cause when you doodle then your noodle's flyin' high

Everything rushes by right  
Might just be a thought  
That you caught while coppin' a wink

Doodlin' takes you beyond what you think  
And then you draw what you think, yeah

Later the waiter  
Had me arrested  
Took me to belleview

Where I was tested

Had me a doctor  
Bought him a noodle  
Boy he was handsome  
Taught him to doodle

Showed him hidden thoughts that linger  
Find an outlet through your finger  
Doodle away, oh yeah, yeah

Doctor was real nice  
Told me to be cool  
Looked at the waiter  
Called him a real fool, yes he did

Looked at my baby  
Told him to feel free  
Got him to doodlin'  
So he could bug me

When he put his arms around me  
Quite to his surprise he found me  
Doodlin' away, yeah

Oh let's doodle baby, yeah a doodle to the left now  
Doodle a little to the right, yeah alright  
Doodle to the right, left, right or left and doodle away
