well, i don't wanna live, but i don't wanna die.  
bearing my cross while listening to lies.  
walking through life, sitting on a fence.  
my testimony seems so small, miniscual, and dence.  
why was i chosen when i'm one big crutch?  
why was i chosen when i think it's too much.  
why was i chosen when i'm one big crutch?  
why was i chosen when i think it's too much. act up!  
i don't wanna be the one who turns away, no.  
i don't wanna be like Judas who betrayed. act up!  
there's just one thing that i wanna ask,  
"Jesus in me, Jesus act up fast."  
well, i can't stand the thorns in my side.  
at least they keep me humble, while they tear at my  
sides.  
i feel like a chicken, the one who wimped out.  
hast the cock crowed three times or only just twice?  
i'm in this malitia, through the war has been won.  
acting in flesh, i must stop.  
it's all done.  
i'm in this militia, through the war has been won.  
acting in flesh, i must stop.  
it's all done. act up!  
i don't wanna be the one who turns away, no  
i don't wanna be like Judas who betrayed.  
act up! there's just one thing that i wanna ask,  
"Jesus act up in me, Jesus act up fast." act up!  
i don't wanna be the one who turns away,  
no i don't wanna be like Judas who betrayed. act up!  
there's just one thing that i wanna ask,  
"Jesus act up in me, Jesus act up fast."  
i would die for what i live for.  
i've been doing it for years.  
though sometimes i seem to compramise by living in  
fear.  
what am i afraid of for God is on my side?  
more power in his stratagies.  
then dreams that i can dream to be more perfect, and  
precious.  
i love my Lord for giving me eternity and all are justly  
rewards.  
i don't wanna be the one who turns away, no.

i don't wanna be like Judas who betrayed. act up!  
there's just one thing that i wanna ask,  
"Jesus act up in me, Jesus act up fast." act up!  
i don't wanna be the one who turns away, no.  
i don't wanna be like Judas who betrayed. act up!  
there's just one thing that i wanna ask,  
"Jesus act up in me, Jesus act up fast."
