I know a real cool place to hang out were all the riot
girls

And the scenester run about

A real neat place to go visit or see a show

But I don't want to live in Olympia

The reef has the worst coffee I've ever had

But I just can't stand the distaste

For there's nothing better to do than sit around and
pick my nose

It's just like home

And I don't want to live in Olympia

No, I don't want to live in Olympia

No, I don't want to live in Olympia

No, I don't want to live in Olympia

My girlfriend decided to go to evergreen

Now whatever possessed her to do that?

Now I'm stuck in limbo or is it Olympia?

Lord I need your help to make it through

Is this a test or a distaste of my own flesh?

Well, I dunno, I dunno, I dunno, oh, I dunno

I think, I've lost my mind

Why did she move there?

Why did she move there?

Because I, I don't want to live in Olympia

No, I don't want to live in Olympia

No, I don't want to live in Olympia

No, I don't want to live in Olympia

I don't want to live in Olympia

No, I don't want to live in Olympia

No, I don't want to live in Olympia

No, I don't want to live in Olympia

I don't want to live there

I never ever wanna live there
No I don't, I don't ever want to live there
I don't want to live there
So there
