Ninety Pound Wuss
"Shedding Blood"

alright, let's play the next song.
through these trials i know my strength.
it rests within my soul, divine intervention set apart for
holy will.
i cannot fulfill your plans without the reaching out of
your hands.
without the reaching out of your hands.
without the reaching out of your hands.
without the reaching out of your hands, yeah.

pain will allow.
pain will allow.
pain will allow cleansing.
pain will allow.
pain will allow.
pain will allow cleansing within.
pain will allow.
pain will allow.
pain will allow cleansing.
pain will allow.
pain will allow cleansing within.

scold, rebuke, discipline needed.
reserrected from death to regain life.
to charish a dream and hope in full of faith endured.
of faith endured.
i cannot fulfill your plans without you cleansing me.
i'll make a stand, yeah.
i cannot fulfill your plans without you cleansing me.
i'll make a stand, yeah.

pain will allow.
pain will allow.
pain will allow cleansing.
pain will allow.
pain will allow.
pain will allow cleansing within.
pain will allow.
pain will allow.
pain will allow cleansing.
pain will allow.
pain will allow cleansing within.

"come to me all who are weary and heavy laden
and i will give thee rest.
take my yoke upon thee and learn from me,
for i am gentle and humble in heart.
and you will find rest for your souls,
for my yoke is easy and my burden is light.
for my yoke is easy and my burden is light."

pain will allow.
pain will allow.
pain will allow cleansing.
pain will allow.
pain will allow.
pain will allow cleansing within.
pain will allow.
pain will allow.
pain will allow cleansing.
pain will allow.
pain will allow cleansing within.
pain will allow.
pain will allow.
pain will allow cleansing.
pain will allow.
pain will allow.
pain will allow cleansing within.
