I got a million reasons to want ya,  
I got a million more to leave.  
So, i'll be gettin my things together ,  
If you can't tell me why i should stay.

Our fights are compulsive n' bloody,  
You smashed up my favorite t.v..  
But the last straw came when you couldn't say, couldn't  
say, wouldn't say,  
That you loved me

Bridge:  
I can't live in this psycho ward,  
Won't be a guinea pig for your games.  
Warned ya once, if not a thousand times  
Now i'm runnin to the tracks  
And i'm leavin on the heartache train

Heartache train x3

I used to dig the sarcasm baby  
The way you made fun of my hair.  
Our sex exploded like a hydrogen bomb  
But now you don't even care

We were never high school sweethearts  
And i didn't take ya to the prom.  
But our paths were cursed,  
The night they crossed,  
At the schizophrenics ball

I can't live in this psycho ward,  
Won't be a guinea pig for your love.  
Warned ya once, if not a thousand times  
Now i'm runnin to the tracks, and i'm  
Leavin on the heartache train

Heartache train
