Hard tail harley mama,
Strap on girlie charmer.
Whiskey drinkin' hot headed thinkin'
Crazy daughter of some bitch, yea

She don't want rings or perfume,
Don't want to be held all night.
She wears my pants, my friends are aghast,
With her foul mouthed lips on mine, yea

Chorus:
She's a hell of a man
Likes to get on top
She don't hold back
With her ballsy talk
She's a hell of a man
A one man wrecking crew
She's a hell of a man
And she's just like you!
