"Hold On"

Visit "[Hold On](#)" on MotoLyrics.com

Have you ever wondered,
What life is about?
Or have you just spent time lookin'
For an easy way out?

Have you ever been taken,
Apart at the seams?
Shaken cold and awakened,
Jumpin' out of your dreams?

The darkest time is just before the dawn
The light will come if you will just
Hold on.

Hold on, till all your fears are gone

Have you ever been frightened
Alone in the dark?
Run down, beaten, terrified,
But they don't leave a mark

Hold on, hold on, hold on
Your time will come
If you will just hold on

Hold on, hold on, hold on
The light will come
If you will just hold on
