Ya Life Is Just A Mystery
A Search For Something True
You Can Lead It Through The
Swamps Of Hell
Or Go Sailing On The Blue

When You Get Close To What You Want
And What Ya Lookin' For
Come To Me I've Got The Key
To Open Up The Door

Always Listen To Your Heart
When You Have To Choose
The Choice Is Always Love Or Fear
Its Never Win Or Lose

If You're Not Happy With Your Life
Better Look Inside Yourself
Ya Life Is Just A Mirror Image
Merely That And Nothin' Else

What's Inside Is Outside
Lifes A Mirror Image
Inside Is Outside

What Cha Gonna Do With All This Information
Are You Gonna Change The Way You Feel Inside
Now You Know Your Life Is
What You Make It
There's No Where Left To Run
Nowhere To Hide

What's Inside Of You?
