(Intro)

You know I finally come to really to realize that uh  
The time and energy you spent  
In this relationship  
I really just don't think you was ready for  
What I was ready for  
ML

(Verse 1)

Tell me why it is so hard for me and you  
To pledge and promise  
To make this fairytale come true (Damn)  
When we started this love affair  
Dedication, Conversation  
We embraced that we would see this through

Life's desire was always ready, willing, to help us  
To make the right decisions  
So we could see that honesty was I wanted when I said I  
do, but  
You weren't committed to me and you

(Pre-Chorus)

I gave you so much of me (I gave you so much of me)  
Loving every ounce of what this could be (Loving every  
ounce of what this could be)  
But because you wasn't ready to explore all the  
possibilities  
I came to see that you

(Chorus)

Your not (you ain't ready)  
Ready  
Ain't ready for my commitment baby (baby)

That you  
Your not (you ain't ready)  
Ready  
Ain't ready for my commitment baby (baby)

\*repeat 2 more times\*

(Verse 2)

Why you couldn't see that after all the time that I  
invested  
That you were heavenly sent solely for me  
When did our signals get crossed, conflicted or even  
twisted  
To make you do the thing that you did to me, ya

I am convinced that when you said you was ready for  
me  
You only wanted me for my name (ML)  
Was it that the game was a bit too much  
Something you couldn't understand  
So you had to up and walk away

(Pre-Chorus)

I gave you so much of me (I gave you so much of me)  
Loving every ounce of what this could be (Loving every  
ounce of what this could be)  
But because you wasn't ready to explore all the  
possibilities  
I came to see that you

(Chorus)

Your not (you ain't ready)  
Ready  
Ain't ready for my commitment baby (baby)

That you  
Your not (ain't ready)  
Ready  
Ain't ready for my commitment baby (baby)

That you  
Your not (you ain't ready)  
Ready  
Ain't ready for my commitment baby (baby)

\*repeat chorus until fade\*
