### Verse 1

Last night you told me  
That you wanted to know how it felt  
To be in love  
See your existence in my eyes  
Have dreams of paradise  
These things you've never seen, and  
You thought you were to blame  
But I am to tell ya baby  
Some things are about to change  
Cause your in my life

### Chorus

(I apologize)  
For all the men who didn't know your worth  
(I apologize)  
For all the men who took your heart for granted  
(I apologize)  
For all of men who ignored your desires  
Baby, I apologize

### Verse 2

You said you wanted a life  
That was golden  
A man to please your every fantasy  
Open your eyes to see its all in me

Sweet Lady

Some things are about to change  
Cause your in my life

I can't erase  
Everything you been through  
In this thing called love  
There are no guarantees (no guarantees)  
I am man enough (man enough)  
To know how to love a woman like you  
Hoping, Wishing  
That you accept my apology

For all the men who didn't know your worth
