fate took you by surprise
but you ran back to you disguise

please don't fear this surrender
we could be forever

sad girl why you always crying?
sad girl you know i'm always trying
to keep you near but your running away
so restless and alone
you always stay at home
you know it doesn't have to be this way

you wonder why you suffer
looking for redemption under cover
you won't find what you need
when your looking for love down a dead end street

please don't fear this surrender

we could be forever

sad girl why you always crying?
sad girl you know i'm always trying
to keep you near but your running away
so restless and alone
you always stay at home
you know it doesn't have to be this way

so restless and unknown
there's a life outside your home
you know it doesn't have to be this way

sad girl why you always crying?
sad girl you know i'm always trying
to keep you near but your running away
so restless and alone
you always stay at home
you know it doesn't have to be this way
