How did you know 'cause I never told  
You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush on you

How did you know 'cause I never told  
You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush (crush [x3])

How did you know 'cause I never told  
You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush on you

How did you know 'cause I never told  
You found out  
I've got a crush on you  
No more charades  
My heart's been displayed  
You found out  
I've got a crush (crush [x3])

How did you-  
You found out-  
How did you-  
You found out-  
I've got a crush on you

How did you- [x2]  
I've got a crush (crush [x3])

How did you know 'cause I never told

You found out  
I've got a crush on you  
No more charades  
My heart's been displayed

You found out  
I've got a crush on you

How did you know 'cause I never told  
You found out,  
Ive got a crush on you  
No more charades,  
My hearts been displayed,  
You found out,  
Ive got a crush on you

How did you know 'cause I never told  
You found out,  
Ive got a crush on you  
No more charades,  
My hearts been displayed,  
You found out,  
Ive got a crush on you

You must have heard it  
From my best friend  
Shes always talkin when she should be listenin  
Cant keep a secret  
To save her life  
But still I trusted her with all I felt inside  
I never knew, a rumor could spread so fast  
(cause now the) Word is out!  
All over town  
That Im longing for you

How did you-  
You found out-  
How did you-  
You found out-  
I've got a crush on you

How did you- [x2]  
I've got a crush (crush [x3])

How did you know 'cause I never told  
You found out,  
Ive got a crush on you  
No more charades,  
My hearts been displayed,  
You found out,  
Ive got a crush on you
