### "The Fear"

Standing here  
I'm cold inside with fear  
And I can't feel my soul  
Take me in  
I'm yours again  
For awhile - just like the last time

Lead me from the fear  
And I won't leave you here  
There's a way out  
There's a way out  
There's a way from here... believe

I feel weak  
I'm slowly losing touch  
With what is left in me  
Take me in  
I'm yours again  
For awhile - just like the first time

I need you  
To keep me here  
I'm starting over again
