You do your best.
You take the fall.
You reminisce.
About almost nearly having it all.

You see the stars
You try and catch one
ooooh
You tried so hard
Chasing, nothing

Because,
We're all no one 'til someone thinks that we're
someone
'Til then we're no one
And you got me looking at you

I said we're all no one 'til someone thinks that we're
someone
'til then we're no one
And you got me looking at you, looking at you

We're all the same
We all have hopes
Ohh it gets insane
When you're slipping down that downward slope
I come with peace,
I offer love.
So if you're hearing me,
Then hurry baby,
Give it up.

Because,
We're all no one 'til someone thinks that we're
someone
'Til then we're no one
And you got me looking at you

I said we're all no one 'til someone thinks that we're
someone
'Til then we're no one
And you got me looking at you

I said we're all no one 'til someone thinks that we're
someone
'Til then we're no one
And you got me looking at you

I said we're all no one 'til someone thinks that we're
someone

Oh!
C'mon
Ooooooh!
C'mon

Do ya best.

we're all no one 'til someone thinks that we're someone
'Til then we're no one
And you got me looking at you, looking at you

I said we're all no one 'til someone thinks that we're
someone
'Til then we're no one
And you got me looking at you, looking at you.
