like the snow from the sky
like a tear from an eye
like a shot out of a gun
now i can't stop the rain and i can't stop the pain
i didn't mean to hurt no one
who can tell

who can tell
how to unring a bell
i know that
once you choose
the hand you play
is yours to loose

like a death in a dream
like your breath into steam
in the cold it's hard to see
when it's past what it meant
is it worth what you spent
well it's all a blur to me

who can tell
how to unring a bell
i know that
once you choose
the hand you play
is yours to loose

yesterday i
never thought you could cry
such a shame i can never say that again
yesterday i
never told you goodbye
such a shame i can never say that again

like a bomb when it kills
like the milk when it spills
like a baby when it's born
yesterday i could dream of a rose and a crown
but today i feel the thorns

who can tell
how to unring a bell
i know that
once you choose
the hand you play
is yours to loose

yesterday i
never thought you could cry
such a shame i can never say that again
yesterday i
never told you goodbye
such a shame i can never say that again
