Little kitty mine, mine won't you sing your song?  
Little kitty mine and I'll sing along  
We will be together everyday and night  
Little kitty mine, mine makes me feel so fine

My kitty is so pretty no one can compete  
She is always with me, my kitty is so sweet  
But ever I'm sad she will be the one  
To cheer me up by singing your song

Little kitty mine, mine won't you sing your song?  
Little kitty mine and I'll sing along  
We will be together everyday and night  
Little kitty mine, mine makes me feel so fine

I like to walk the city but never on my own  
With my fine little kitty, I never feel alone  
If I'm too far away, and feeling blue  
I always find my way back thanks to you

Little kitty mine, mine won't you sing your song?  
Little kitty mine and I'll sing along  
We will be together everyday and night  
Little kitty mine, mine makes me feel so fine

NaNaNaNaNaNaN  
NaNaNaNaNaN  
We will be together everyday and night  
Little kitty mine, mine makes me feel so fine
