(Intro)

Ay Dub

I think It's 'bout time we put on for the city man
They lookin like we forgot or somethin'
Never that

(MGK verse 1)

Man I'm so Cleveland It's a god damn shame
So east side I'm a god damn gang
Said you aint heard about my god damn name
Better ask around here I'm a god damn king
Man I put my work in these god damn streets
Earned my stripes like a god damn beast
Tatted up no shirt still got sleeves
And I'm good from the heights to 116th
Mother fucker this me
Kells
Fuck the fame
Still roll through the blocks where they up them thangs
With the same hoes that tatted up my name
I'm still the little white boy
Outta shaker man
I go hard
Go in

But you don't wanna test my G
Because I got 1 (thou)

Tatted it on my arm you know I'm reppin

And anybody saying that Clevelands dead
