[Ester Dean]

Voices in the air  
I hear 'em loud and clear  
Telling me to listen  
Whispers in my ear  
Nothing can compare  
I just wanna listen

[Verse 1: Machine Gun Kelly]

As my world turns, the heart beats  
Not only in my chest, but the heart in the streets  
So when they feel this, they feel me  
But I can't feel nothin', outside these Dre Beats  
I am from the city of people, came from the bottom  
Standing on top of what was supposed to be my coffin,  
what's up?  
Except for shows, we are the dead man walkin'  
But reflections show this kid's still got it  
Better be known I got the throne like I don't know that  
there's a king  
Never grew up around a family because I'm not a  
human being  
And anyone under my bubble that's coming in my spot,  
for the top  
Let 'em hav it, cause when I leave, the whole world  
drops  
Lace up Kells

[Hook]

I hear voices in the air  
I hear it loud and clear  
They're telling me to listen  
Whispers in my ear  
Nothing can compare  
I just want to listen  
Telling me  
I'm Invincible (3x)  
Telling me  
I'm Invincible (3x)  
I am

[Verse 2: Machine Gun Kelly]

Waking up sweatin from the stress of being caged out  
Everything I write is played out like what is this  
Tear the whole page out  
Man I come from holes in the wall but they don't know  
the past  
Even if I told them it all they wouldn't know the half  
So maybe I fill up my luggage with all these dreams  
And pull on my black coat and my black chucks and  
nothing in my jeans  
It's just one, til the day come like Rocky's movie scene  
The day I'm on top of the world, look up the screen like  
this is me, this is Kells  
Crucified by the public without the nails  
Do or die in my city but clearly I never failed  
Lost myself from the game when I found myself from  
the cell  
And I found myself from the fame when I lost myself in  
the pills  
And you cannot mess with me still, seen the boys and  
they winnin'  
Underdogs of the year, Cleveland boys in tha buildin'  
What the fuck is a ceiling?  
I'm taking us to the top  
And when I leave the whole world drops  
Lace Up Kells

[Hook]

I hear voices in the air  
I hear it loud and clear  
They're telling me to listen  
Whispers in my ear  
Nothing can compare  
I just wanna listen  
Telling me  
I'm Invincible (3x)  
Telling me  
I'm Invincible (3x)  
I am
