Andy went back to school. He got sick of Newbury Comics.
Aaron still rides a lot, except now he's just fatter.
Alex took over for Alex Van Halen, after his major surgery.
Jon, well, he got married to Laura and I teach their kid in first grade.
Thought I saw you on the road last night.
I need to get my eyes checked.
Can't believe I love something as yellow as you.
"He's gone so deal with it man."
"Wait, afer all, he did get us across the world and back."
Weren't you parled at the station? I need to rub my eyes.
We keep your door like it's a postcard from you from camp.
Maybe we'll see you in a junkyard soon. Oh man I really hope not.
Maybe you're in auto heaven. Oh man I really hope so.
Now it's all the same.
