Come crash on my shore and I know that I'll bet here  
holding a lifesaver get an idea of the picture I'm  
painting and it's time for the ultimate bed time story  
the one where we both know the sound my ocean is  
green and your ocean is blue and it's not an ocean at  
all your ocean is a sea and you've sunk my battleship  
but the party's not over some crash on my shore again  
my port is ready for you we'll go swimming in your eyes  
the bed is sinking in the water and I know that I'll be  
there holding a lifesaver under the covers with that  
bedtime story this time we both know the taste watch  
the sparks from the lifesaver.
