Baby boy got your girl so deep in love
He got me thinking 'bout him even when I wake up
If only I can be there next to you
You got me blushin, twista, imaginin' of things we were
gettin' into

When the thought of you and me arises
Ain't no limit to what we could be
Sittin' on the deck of the art name back to rust

If only you knew (x2)
I'd be with you
If only you knew (x2)
I'd be with you
If only you (x2)
If only you knew

Tell myself newt time I see ya
Just gonna make it happen
Thought I was ready but I saw you and I choke now
Kickin' myself cause I really need a boy like you
Cause baby you're so gust
To myself as you wander in my mind
And I can't help but wait

When the thought of you and me arises
Ain't no limit to what we could be
Picture of us out of town clear waters on the sandy
beach

Oh if only you knew
If only you knew
I'd be with you
Oh if only you knew
If only you knew
I'd be with you

Cause some other girls on the front
Only want you for what you got
Cause what I want for myself
Just believe that I can cope out

But this friendship thing is killing me
And what it is that I'm tryna be
What I'm tryna be is with you
Boy if you only knew

If you only knew (x2)
I'd be with you
Oh if only you knew
If only you knew
I'd be with you
If only you knew (x2)
I'd be with you
Oh if only you knew
If only you knew
I'd be with you
Oh...
Yeah
