I wanna spend with you
Everytime I say goodbye now girl
I'm always leaving you
I'll be home one day soon
You know my love is always true
And I'm not the kind of guy
Who has a wandering eye

CHORUS

Longer and stronger my love
It grows everyday
Kicking and fighting I won't
Never drag me away from you

Every moment of my life
Every moment of my life
Every moment of my life
Every moment of my life

Everytime I say decide now girl
Of what it means to you
Instead of wasting all my time now girl
I wanna spend with you

CHORUS

I'll be home one day soon
You know my love is always true
And I'm not the kind of guy
Who has a wandering eye

CHORUS
