Save, save, save, save, save, save, save, save Tonight- you hurt, you'll heal how does it feel? I hear the words that stay undsaid Tonight- take all of this, get drunk Tonight-I wish, you will, I aim, you'll kill Save, save, save, save, save, save, save, save Save, save, save, save, save, save, save, save Never hear me Never see me Never hear me Never feel me Never touch me Never heal me Never hurt me Never hear me Never see me Never near me Never feel me Never touch me Never heal me Never hurt me Never save me Save, save, save, save, save, save, save, save Save, save, save, save
