Guns are blasting loud  
My head is in the clouds  
Its coming...Closing time  
GABA GABA HEY!  
I just wanna stay now it's about that time

I see the weary look in your eyes  
Said it's time for me to go  
You know we had the best of times  
Fate had it's end  
Flip the sign it's closing time  
I don't wanna leave but i guess i should  
I'd like to stay for one more round  
But I'll just bring you down

It comes as no surprise  
All the whiskey ran dry  
Ive been drunk all nite  
Coming around the bin  
Destrecto at the end  
And ive miss my ride

I see the weary look in your eyes  
Said it's time for me to go  
You know we had the best of times  
Fate had it's end  
Flip the sign it's closing time  
I don't wanna leave but i guess i should  
I'd like to stay for one more round  
But I'll just bring you down

I'll just bring you down  
I'll just bring you down  
I'll just bring you down....
