I've been thinking about
Setting my house on fire
Can't see a way out of the mess I'm in
And the bills keep getting higher
All I need is a gallon of gas
God I'm getting tired
Gonna set this house on fire

I've been thinking about
Going off the deep end
My man can't get no overtime
And the baby ain't been sleeping
All I need is a washing machine
These ends have gone and?
I'm about to go off the deep end

Oooh
Oooh

Well I've been thinking about
All the pills I'm taking
I wash them down with an ice cold beer
And a love I ain't? been making

Oh I feel like I'm burning up
Wih words I ain't been saying
And all these pills I'm taking

Ooh
Ooh

I've been thinking about
Setting this house on fire
