Sink in
The sound
It can
Do round
Slow in
Slow down

Step in
Drift out
Beneath
Black clouds
Ship lost
Ship drowned

Drag the depth machine
We don't care we don't care we won't
Monsters monsters
Hiding in the songbirds
Sing em a song from iron lung
Spill an empty soul to a loaded gun
Break up break up
Hide the words you fake up
Break up break up
Trace the lines above
Papercut

Sink in
The sound
That kept you 'round
Slow in
Slow down

Stay in
Sink down
Beneath the ground
Ship lost
Ship drowned

Drag the depth machine
We don't care we don't care we won't
Monsters monsters

Hiding in the songbirds
Sing em a song from iron lung
Spill an empty soul to a loaded gun
Break up break up
Hide the words you fake up
Break up break up
We will never wake up
Trace the lines above
Papercut

Drag the depth machine
We don't care we don't care we won't

Hiding in the songbirds
Sing em a song from iron lung
