Well it's no concern of yours my friends, it's no concern
of yours

The nail that's sticking up will just get hammered to the
board

And it's no concern of yours my friends, it's no concern
of yours

It's hard to hold your head up when it's in your hands
To wash off last night's trouble in a clean white shirt
If anyone can do it I can

And it's no concern of yours my friends, it's no concern
of yours

The finest looking apple can be rotten to the core
And it's no concern of yours my friends, it's no concern
of yours

We're not here to talk about me
We're here to get things done
'Cause if we do my daddy won't have ruined both his
sons
He's going down, down. down

It's no concern of yours my friends, it's no concern of
yours
A word can break as easy as it's spoken snarled or
sworn
And it's no concern of yours my friends, it's no concern
of yours

When your name is on this building take me out for
lunch
After three or four Old Fashioned's tell me what you've
heard
Then you'd better listen closely, I'll only say it once
